## CLIENT TESTIMONIAL

### Porzio Pharmaceutical Services

David E. Hammond, Vice President of Sales and Marketing for Porzio Pharmaceutical Services, LLC stated, "we selected Envision to develop our new Porzio Pharmaceutical Services website in CMS based upon their immediate comprehension of our strategic objective to improve the impact and image of our PPS website while advancing our SEO strategy. They are highly responsive, available 24/7 and fully understand our budget constraints."

PPS is a subsidiary of a prominent law firm based in Morristown NJ, Porzio, Bromberg & Newman, P.C. and provides a wide range of regulatory and compliance services to pharmaceutical and life sciences companies. Envision's scope involves design of product logos, SEO optimization and various branding assignments".
